

# LIVE: DR. BRIAN CLEMENT

WORLD RENOWNED HEALTH EXPERT AND DIRECTOR OF THE HIPPOCRATES HEALTH INSTITUTE

## “NEW YEAR & OPPORTUNITY FOR VIBRANT HEALTH”

### Sat. Jan 13th

**Doors open 6:00 / Dinner 7:00\* / Lecture 8:00**

Sweet Hollow Hall, Melville, West Hills County Park on Gwynne Road

*\*Dinner portion of event is for Members and Guests only.*

Brian Clement, N.M.D., Ph.D., will explore The Hippocrates Institute's 50 years of helping people to heal themselves. He will explain quantum health & how individual choices have global impact. An extensive Q & A will follow. Participants will leave with personal roadmaps to vibrant aging & disease-free lives.

Clement is a leading expert in the natural health field, the author of seven books on health, spirituality, & natural healing and a renowned speaker both here and abroad, whose professional opinion is highly regarded and much sought after. Join us for an opportunity to see Brian live.

Bring your family, friends & a healthful, all plant-based dish to share for a night of growth and learning!

\* To accommodate all, please no meat, dairy, eggs, white sugar, honey, hydrogenated oils or chemical additives.

Bring serving & eating utensils, a reusable plate & cup and a dish to share with 10 hungry people (including a list of ingredients used!)

**LI's Popular, Monthly, Saturday Evening Dinner/Lecture**

HealthyPlanet's other programs include the Healthy School Lunch Program, social events, special events, public speaking & much more.

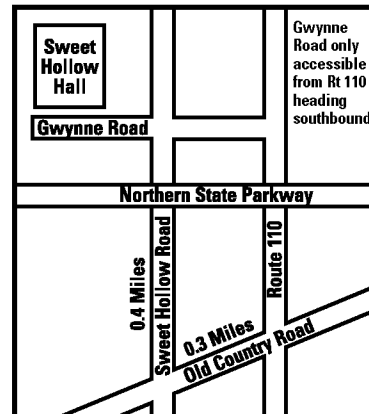

We teach that many of the world's most daunting health, environmental and social problems have their solution in the lifestyle choices we make every day.
